**▶ WHAT IS THE ASSESSMENT?**

**You can help improve  
the quality of life for all  
of us in McLean County!**

On Monday, August 12th a  
McLean County Community  
Assessment survey will be going  
out to households in McLean  
County.

This project will look at human  
service and health needs of  
McLean County residents, and  
the County's ability to meet those  
needs.

Your participation is important to  
be sure that all communities in  
McLean County are represented.

The United Way of McLean  
County is directing this project.
